2021 Student Star SPONSORSHIP OPPORTUNITY

Will you help us foster success by recognizing the outstanding students who make a significant impact in their school or community?

This annual celebration brings together communitiy business leaders, our local school faculty, and select students from Hamburg, Frontier, St. Francis, Randolph Academy, Lackawanna High and Global Charter High School. Students are selected through a process of teacher nominations and committee voting and is based on actions of extraordinary deeds and good character portrayed throughout their school and/or community.

Sponsorships are just \$100!

This year with large groups still tough to plan for due to COVID-19, instead of getting extra tickets for a dinner ceremony, your sponsorship of \$100 allows us to offer the honored students gifts from local businesses such as gift cards and memberships. So you are supporting shopping local AND the students!

- You receive mention in a Hamburg SUN expose of the Student Stars.
- Mention in the Student Star press releases, advertising, e-mail(s), and listed in the Program Book that each Student Star family receives.
- Listed on our website’s dedicated page for the event.

Please join us in recognizing some truly special young people in our community!
